

Dear Church Leader:

Is your congregation ready to be the hands and feet of Jesus in order to meet needs within your own community? Are they willing to “move beyond religion and see the world be changed by the power of His name?” If so, we would like to extend an offer for you to be part of the Touched Twice United 2011 Initiative scheduled at the Share the Hope Clinic at East Aurora High School in Aurora, Illinois on Saturday, October 17<sup>th</sup>, 2009.

Touched Twice United is an organization founded by Perry and Andrea Polnaszek in response to bringing the idea of international medical missions into our own backyards. Since (year), Touched Twice United has helped (number) churches across the United States provide free medical, non-medical, and spiritual services to over (number) people in need. As an example from last year, Crossroads Community Church in combination with their sister church in Aurora served over 1800 guests with roughly 850 medical appointments, 480 haircuts and manicures, a food pantry, clothing, family photos and much more in one God sized day of service!

Now we are inviting you and your church body to prayerfully consider hosting such a clinic to meet the needs of those in your own community, advancing God’s kingdom, and helping Touched Twice United meet their goal of having a clinic in every county by the year 2011. If you are interested in the idea, see [www.touchedtwiceunited.org](http://www.touchedtwiceunited.org) or contact [apolnaszek@mac.com](mailto:apolnaszek@mac.com) to learn more. Better yet, join us for the next Share the Hope Clinic as listed above to witness the fullness of God’s glory as we serve Him and His kingdom.

*I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me. Matthew 25:40*

We request your prayerful consideration of this invitation. Kindly respond to [ltremain@msn.com](mailto:ltremain@msn.com) if you will be attending this special free training event. We suggest that a combination of 2-3 paid and lay leaders join us from 8:30 – 12:00 for a special training designed for fanning the flames of this type of local mission work.

In Christ’s name,

Perry and Andrea Polnaszek
